

change the  
dynamics

add trills

add silences  
between the  
notes

add something  
new between  
the notes

same notes  
different rhythm

play it  
backwards

play it upside  
down

change the  
articulation/  
playing  
technique

expand the  
intervals

change the  
durations

same rhythm  
different notes

repeat over  
and over  
very quickly

double or triple  
each note

add something  
to the end

contract the  
intervals

angry

calm

like an  
elephant

add a  
surprise

like a  
butterfly

spiky

wobbly

smooth

hard

roar

change the  
tempo

play so you  
can only just  
hear it

a tangle

a cloud

luminous
